

Greetings,

Camp Arrowhead, Amputee Veterans Recreation Area and the Natick AMVETS Post 79 seek your sponsorship support for our second annual Amputee Veterans Motorcycle Ride. The event is being held on Saturday August 26 and includes a 30 mile ride from the Natick AMVETS to Hudson AMVETS and returning for a ride celebration in Natick.

The Amputee Veterans Recreation Area at Camp Arrowhead is a non-profit organization dedicated to the improved physical and mental health of all Veterans through recreational programs and counseling.

The executive board that oversees this organization are all volunteers from Natick AMVETS Post 79.

Our strategic goals for the future include:

- Facility improvements and property enhancements
- Offering adaptive physical training programs and health & wellness counseling for veterans who may suffer from limb-loss, Traumatic Brain Injury (TBI) and Post Traumatic Stress Disorder (PTSD) and other critical issues and unique challenges
- Reaching out to and serving veterans of more recent conflicts such as Somalia Conflict, Persian Gulf War, Operation Iraqi Freedom and Afghanistan
- Growing awareness of organization and our mission through media and public relations
- Increasing volunteerism and donations

Funds are required to help us reach our strategic goals.

There are five sponsorship levels listed on the attached sheet that provide high visibility for your company. I look forward to your support so that we can promote the importance of the Amputee Veterans Recreation Area and Camp Arrowhead while supporting our local veterans.

Sincerely,

James A. Sheridan
